Why sponsor the Kroll's Diner Bismarck Marathon?

- Take advantage of the marathon's marketing power. Your company name will reach thousands of runners in North Dakota and beyond.
- Be known as a company committed to health and wellness by supporting an event that promotes wellbeing.
- Boost the local economy: In 2009, more than half the participants were from outside Bismarck-Mandan, including representation from 33 other states and Canada.
- Support local charities: The Kroll's Diner Bismarck Marathon donates a portion of its proceeds to North Dakota charities. In addition, the winning corporate challenge relay earns \$500 to give to the charity of their choice.
